

Certificate

Passive House Tradesperson

Dr. Wolfgang Feist
64283 Darmstadt
Germany
www.passivehouse.com

Valid until 26th September 2021

Vincenzo De Raco

Date of birth: 4th August 1979

is hereby granted to use the seal depicted below until the expiration of this certificate in five years' time. During the validity period the recipient will be listed as a Certified Passive House Tradesperson online at www.passivehouse-trades.org. The awarded title and seal are to be used only in conjunction with the recipient's name.

The qualification was obtained in accordance with the examination regulations from 1st April 2012 and awarded upon successful completion of the Certified Passive House Tradesperson examination.

The examination was held on 17th June 2016 in Brescia (BR), Italy, by Zero Energy and Passivhaus Institute for Research - ZEPHIR / Nesi, Francesco.

In addition to Passive House Basics, the examination had the following specialisation:

Building Envelope **Building Services**

Darmstadt,
26th September 2016

A handwritten signature in blue ink that reads 'Wolfgang Feist'.

Prof. Dr. Wolfgang Feist

A Passive House is a building, in which thermal comfort [ISO 7730] can be provided solely by post-heating or post-cooling of the fresh airflow which is required for good indoor air quality [DIN 1946] - without using additional recirculated air.
